PRODUCT DETAILS	Ideal for eco-conscious event invites, memorable business cards, or sustainable notes, our A7 seed paper helps your brand make a lasting, green impression. Sustainably Printed Our A7 seed paper is high quality, recycled 220gsm plantable paper produced from waste material originating from the textile industry. We print each sheet inhouse right here in the UK, minimising our carbon footprint while ensuring your message grows into a lasting, beautiful wildflower display. Grow Anywhere, Anytimel Our seed paper is exceptionally versatile, making it a perfect fit for garden beds, flower pots, and planters. So, if you're confined to a flat or perhaps living on a hypothetical spaceship, you can still enjoy the blooms. Just plant, water, and watch your flowers grow. Customise with Your Brand Get your message across clearly with full-colour printing options on one or both sides of this seed paper, amplifying your brand's commitment to both quality and sustainability.
